A note from the principal:

I am so appreciative of our Alternative Education staff for their dedication they bring to our students' success every day. Our classrooms have been running so smoothly thanks to their focus on the GIFT and ensuring a safe learning environment where students can take risks. Kudos to Juan and Martha, our custodians. The quad and all school grounds look fabulous thanks to them. And of course, a big thank you to the students for respecting their spaces and cleaning up after themselves. Because you take pride in your campus, it looks fantastic! It takes a team to keep things functioning and looking well day after day. Thanks to all of you for doing your part to make our school environment welcoming and pleasant. These are the little things that do not go unnoticed. Keep up the great work!

Mrs. Guzman

The "Clarity Glasses" go to: Mrs. Fonseca this week!

Mr. Diaz shared that he is amazed at all she does for our students. Students find comfort in the library because of how welcome she makes them feel and because she is always ready to lend them a helping hand. Mrs. Fonseca will pass on the "Clarity Glasses" to another staff member on Tuesday.

Thank you students for bussing your tables after brunch and lunch!
