

Alternative Education

Friday Focus 12-8-23

Principal's Message

A huge thank you to all involved in the organization of the Crisis Demonstration/Simulation held last Saturday at OHS. The Lovell administration was able to participate and gain valuable information on how to continue to improve safety measures for students, staff, and visitors on campus.

We ask that if you observe one of our Alternative Education students doing great deeds in the community, please inform us so that we can award them P.A.W.S. points for being productive citizens in the community.

I would like to thank Evelyn Rodriguez for stepping up and helping out with today's announcements in the absence of another student and a Whoo-hoo to this week's early grads!

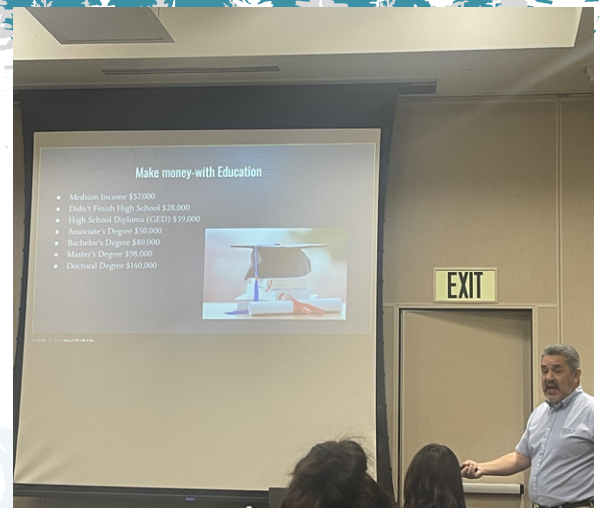

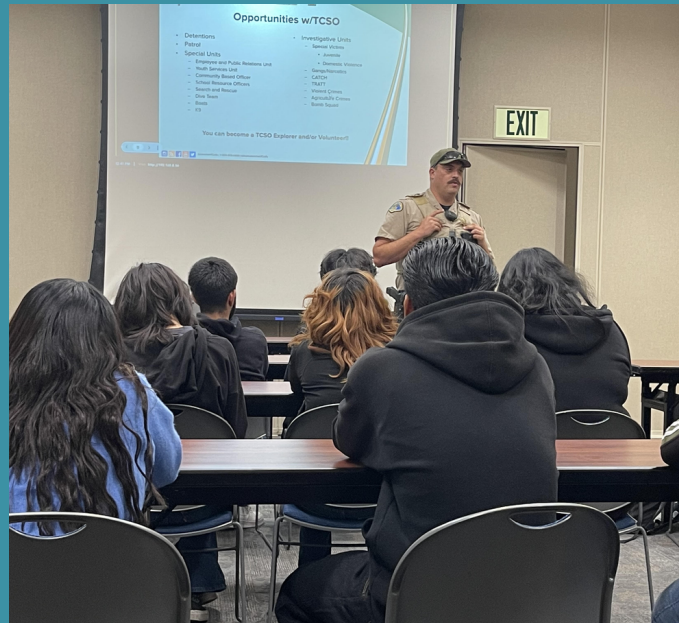

Have a great weekend! *Mrs. Guzman*

WAY TO GO EVELYN

A whoo-hoo intercom announcement for our early grads this week!

• NAF CONFERENCE
