## A Note from The Principal

What more can a girl ask for! The CLARITY glasses go to my amazing secretary, Monique Romero. Monique's first day on the job was Graduation Day! Yup, what a way to start learning the ropes. She rolled up her sleeves and ever since then has never rolled them down.

On the following pages, you will see highlights the team were able to capture. We hope you enjoy a glimpse of what our Panthers' experience at our school :)

## *Message from Mr. Diaz*

**This event has been a testament to the power of persistence and resilience among our students and staff.**

**There were moments when my students doubted themselves and faced numerous challenges, but they refused to give up. The sacrifices and time invested were all worth it.**

**Thank you to everyone that was a source of inspiration and encouragement throughout this endeavor. Your belief in me and our students has been a driving force behind our success. I look forward to celebrating this achievement with you and sharing the joy of realizing a dream that demanded everything we had to give. As here at Lovell High School we make sure to EDUCATE MINDS and INSPIRE FUTURES.**
