FRIDAY FOCUS

FEBRUARY 9, 2024

PRINCIPAL'S MESSAGE

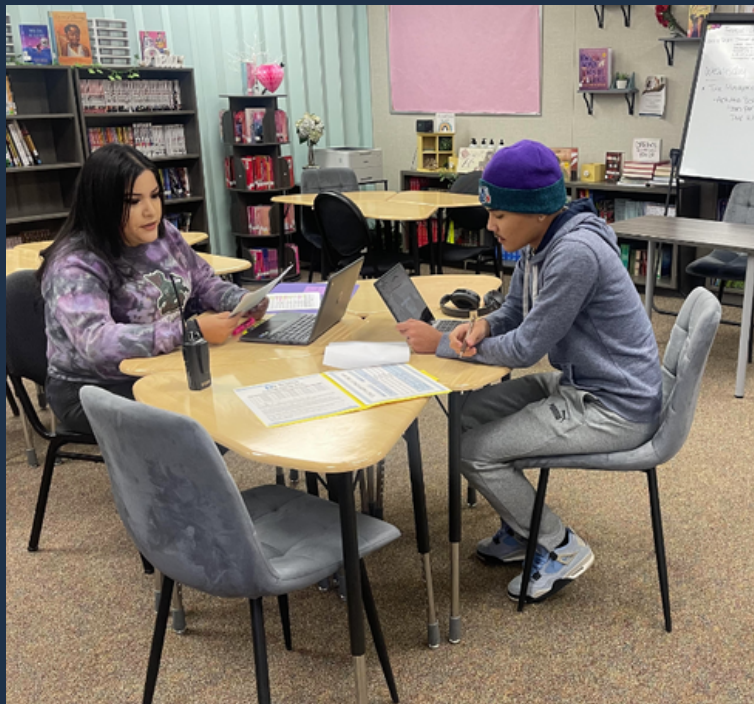

First and foremost I'd love to thank my team for the intentional connections they make with our students. Our students thrive because of it. They realize they had it in them the whole time. A prime example is our librarian, Mrs. Fonseca. She met Daniel at Thursday's board meeting to show her support. We are all proud of Daniel's accomplishments!

Sandra, pictured on the right, is working on an adult school course called Vessel Lab. She completed and passed her first exam in Google Docs. She has now moved on to the Internet Basics course. Way to go Sandra!

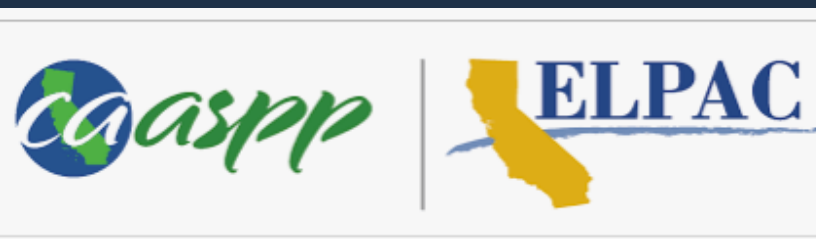

Making one person smile can change the world – maybe not the whole world, but their world.

WE ARE ALTED!

Mrs. Fonseca has been working with students on goal setting for the upcoming ELPAC and CAASPP assessments. Students have also been tracking their SRI scores.

Thank You Mrs. Parris for all your help.
