

ALTERNATIVE EDUCATION

September 29, 2023

Prepared | Accountable | Wise | Successful

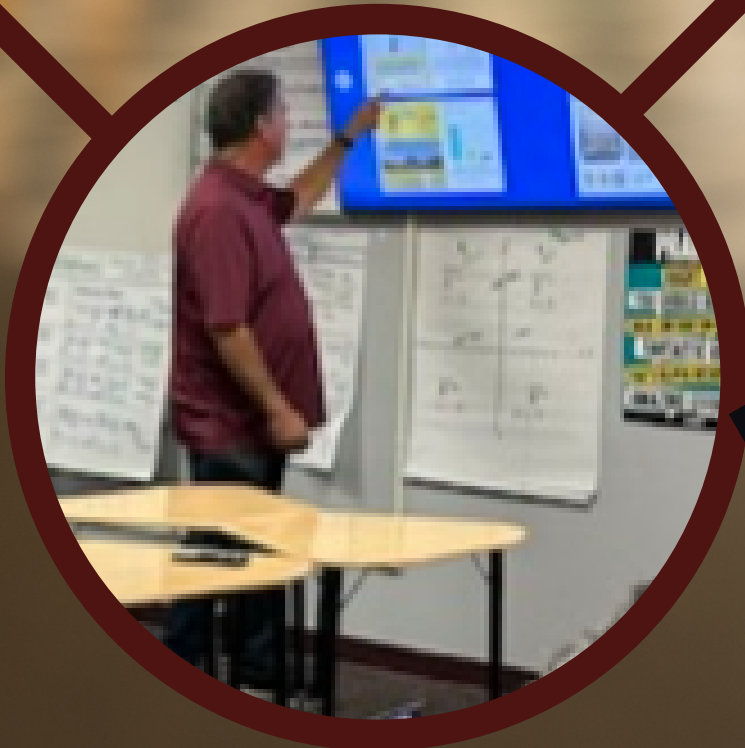

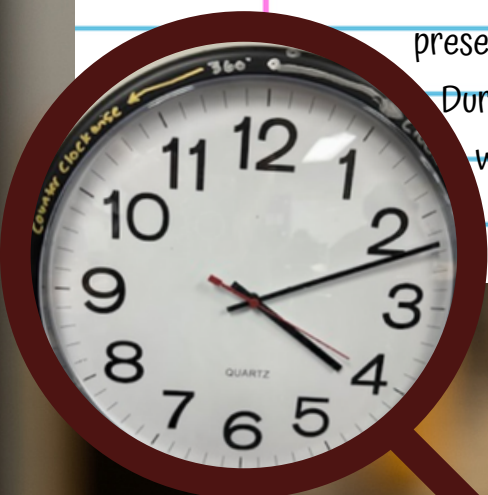

A note from the principal:

Another great week at our site. Our students had multiple opportunities to shine and learn. We had our leadership students attend the Step Up Challenge session at TCOE, our construction trades students attended Trades Day, and all students toured COS on Friday.

Below you will find Mr. Hosler being the "presenting teacher" while his colleagues are his "critical friends" during our Wednesday collaboration. Mr. Hosler presents his GIFT lessons which include any Google Slides or artifacts he used to teach such as the analog clock. He presented his data along with the challenges he identified.

During his presentation, the "critical friends" wrote questions and suggestions for him to able to implement during a re-teach.

Mrs. Guzman
