

ALTERNATIVE EDUCATION

September 15, 2023

Prepared | Accountable | Wise | Successful.

A note from the principal:

Both President Truman and John Wooden said it and I stand by the quote: Now, don't get me wrong. People will be recognized for the "wins" and the ideas they bring to the table because Kid Can When We Bring It! But we will not be blinded by "I did." The "I" we will focus on is "here is what "I" contribute and bring every day to ensure all kids succeed." Our campus is full of Synergy because each member brings it. Our students depend on it and are worth it!

Mrs. Guzman

It is amazing what
you can accomplish if
you do not care who
gets the credit.

Clarity

Mrs. Fonseca passed on
the **clarity** glasses.
Mrs. Medina brings it. She
goes above and beyond for
our students. She narrows
down her students' needs,
advocates for them and
does her part to see them
succeed.

She definitely is Clarity
champ!

SHOUTOUTS

I am so deeply grateful for ALL the support I have received at Lovell High School especially during my first year of teaching. Victoria does an INCREDIBLE job making sure all students are recognized and appreciated for their hard work. While ALL teachers and staff do an amazing job in ensuring that every child at our school has an adult that is not going to give up on them. As WE understand the power of connection and insist that our students can become the BEST they can possibly be. Once again I appreciate EVERYTHING that everyone has done for me. There is no doubt that Lovell High School is going to have a WONDERFUL year.

Sincerely, Mr. Diaz
