

Administrator's Message:

The Cutler-Orosi Adult School started a citizenship prep class in the fall of 2017. Mr. Miguel Flores is the instructor for the classes that meet two days a week on Monday and Friday mornings from 8:15 to 11:00 a.m. We currently have 15 students enrolled in the class who are diligently working toward the passing of the citizenship test. Mr. Flores has worked with Ms. Jennifer Gagliardi to provide students with a plethora of resources. Jennifer is considered one of the best citizenship teachers in California. The citizenship exam is an oral test in which an applicant will be asked any 10 questions by a USCIS Officer from a list of 100 civics questions.

We are excited to report that the Cutler-Orosi Adult School had our first student pass the exam this past week. Sylvia Leon passed the exam this week and is a true inspiration to all of her fellow classmates. She is also the proud parent of an OHS graduate who is currently working on her teaching credential at CSU Fresno. Great Job Miguel and Sylvia.

All the students in our Adult School will also have the opportunity to attend the ESL EXPO at COS on March 14, 2018. During the visit students will have a campus tour, visit academic counselors, and have an opportunity to explore the Career Technical Education (CTE) classes.
