

New Beginnings & A Fresh Start

4-23-21

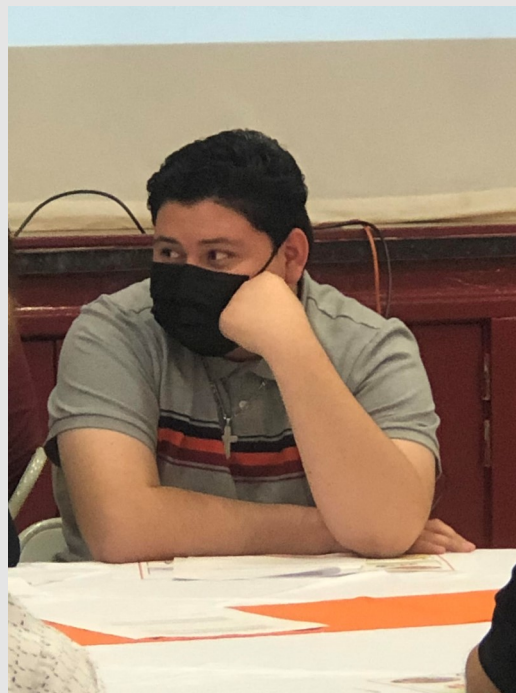

Administrators Message:

Lovell seniors Briseida Rodriguez and Oscar Vasquez participated in the Cutler-Orosi Joint Unified School District Senior Voice Board Meeting. I want to thank them for representing Alternative Education students at the meeting.

I would like to recognize the entire Lovell Staff for an extremely successful WASC Mid-Cycle visit. The Chairperson for the visit Dr. Wendy Parcel, was impressed with the progress made from the last visit in 2018. For example, she recognized the progress with ELD students, writing assessments, parent outreach and communication, and social/emotional learning. Dr. Parcel also was complimentary of the Lovell staff implementation of Google Class. Great Job Staff!

Senior Voice Briseida Rodriguez
