Principal's Message:

I want to recognize David Carreon for his assistance with the Golden Valley Christmas. He is an excellent example of a Lovell High student being a Productive Citizen and giving back to the Cutler-Orosi community.

I am excited to report that the Cutler-Orosi Adult School is eligible to apply for the 2020-23 Workforce Innovation and Opportunity Act, Title II: Adult Education and Family Literacy Act Grant. This is a great opportunity to receive additional funding for our school.

The Cutler-Orosi Adult School is also participating with the Workforce Investment Board on the English Language Learner Co-Enrollment Project. I would like to recognize Icel Macedo, for her recent employment with Star Roses and Plants. Icel is also currently taking classes to receive her high school diploma. Icel is the first of many future student success stories with the ELL Co-Enrollment project.
