

New Beginnings and a Fresh Start

1-24-2020

Principal's Message:

Lovell High staff will receive training on the ELD toolkit at their upcoming extended professional development day. We are excited to be working with Mrs. Goosev Fonseca from El Monte Middle School. In addition, the second instructional rounds will also take place on Thursday, January 30, 2020.

The construction class student have started working on their doghouse projects this semester. Students are doing a great job of exhibiting the graduate outcome of critical thinkers and collaborative problem solvers.
