## New Beginnings and a Fresh Start

11-15-19

### Principal's Message:

It was an extremely busy week for students to meet the graduate outcome of **Career & College Ready Scholars**. Students met with representative from College of Sequoias to complete FAFSA applications and Spring enrollment for COS. In addition, Frankie Herrera from Reedley College assisted students in completing enrollment applications.

I would also like to thank Maria Aguila from the Family Education Center for leading the Alternative Education Parenting Partners classes. The graduation was held this past week and I would like to congratulate all of the graduates who are becoming **Leaders & Ethical Decision Makers** in our community.

Students in our construction class are continuing to work on their first semester small projects. They are extremely proud as they demonstrate **Creative and Quality Producers**. I also want to recognize Mrs. Dee Echavarria for her 23 years of service in the Cutler-Orosi Joint Unified School District.
