

Career, College, and Community Ready Scholars:

I want to thank Franky Huerta and her Reedley College team for their assistance in the application process. The Lovell High students greatly benefited from the counseling they received this week.

New Beginnings and a Fresh Start

Creative and Quality Producers:

I want to thank all the Lovell stakeholders who participated in the Lovell High model school visit. The Lovell High team had had a successful site validation visit this past week. At this time, we are being recommended for Model Continuation High School (MCHS) Recognition by our visiting committee. Lovell High will receive official notification from the California Department of Education in February 2019. In addition, we will be recognized at the California Continuation Education Association conference in Santa Clara, CA on Friday, April 26, 2019. GREAT JOB LOVELL PANTHERS!
