

## **New Beginnings and a Fresh Start**

**11-8-19**

### **Creative and Quality Producers:**

Students continue to do an excellent job on their school garden. In our fall harvest we have had great success with radish. In addition, I would also like to recognize the work of students in our construction class. They have just completed their birdhouse project. The Lovell Panthers soccer team started the season with a 4-3 overtime victory at Citrus High from Porterville. Lovell won a 50 yard shot from Andres Sanchez. Great Job Panthers!

### **Career & College Ready Scholars:**

I want to thank Brenda Contreras from College of Sequoias Student Support Services Specialist for assisting in college registration for Lovell High students. This past week our students had the opportunity to get started on the college registration process for next year. Once again, I want to thank Brenda Contreras for her support of Lovell High Panthers!
