

New Beginnings and a Fresh Start

3-6-2020

Principal's Message:

Lovell High construction students have just completed their doghouse project. At this time, we have sold two and the third will be auctioned off at the Noche De Oro dinner and fundraiser. Students will also complete a tuff shed to be auctioned off at the event. Great job by our students and Mr. Vasquez.

The Adult School Citizenship class had a great presentation on free immigration legal services provided at the San Joaquin College of Law New American Legal Clinic. I want to thank Aracely Mota for working with our students today.
