

**Alternative Education Friday Focus**  
**New Beginnings & A Fresh Start**  
**8-24-18**

**Career, College, and Community Ready Scholars:**

We are excited to report that Lovell graduate Hugo Gutierrez has made the soccer team for West Hills College. He will also continue his pursuit of a career in nursing. Last year, Hugo helped lead the soccer team to an undefeated season and first place league finish. Great Job Hugo and Keep up the great work!

**Career, College, and Community Ready Scholars:**

I want to thank Annaly Alvarado and Lisa Castillo in their work with the Lovell Work Experience Education (WEE) Program. We are excited to report three students will start the pilot program on Monday, August 27, 2018, at Cutler Elementary. Students will have the opportunity to work with the food service department and gain valuable work experience. They are extremely excited to participate in the program.

**2018-19 West Hills Lemoore Men's Soccer Roster**
