

Back to School 2018:

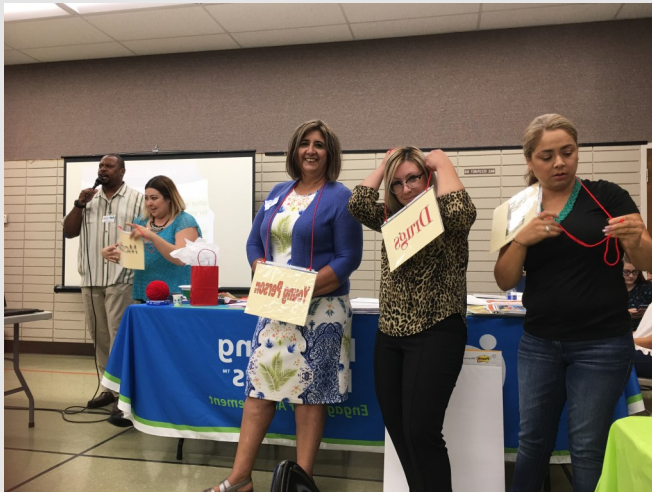

The Lovell High staff and students diligently worked on submitting the Model School application last week. I want to thank Mr. Hosler, Ms. Trevino, and Darlyn Arteaga for their work on why our school is deserving of the model school recognition. In addition, I want to thank Mrs. Jodie Thomas for her support on our application. The staff looks forward to hearing our results in the upcoming months.

Lovell students are also completed their ASB leadership packets this past week. Our staff will work with the student body on selecting officers for the 2018-19 school year. We look forward to expanding the role of the student leadership with assemblies, sports, and community involvement.

Ms. Trevino also participated in the Parenting Partners training this week. We look forward to our collaboration with the Family Education Center.

New Beginnings & Fresh Start

9-7-18
