Principal's Message

Another great week with our amazing students and staff. Please enjoy the moments we were able to capture below.

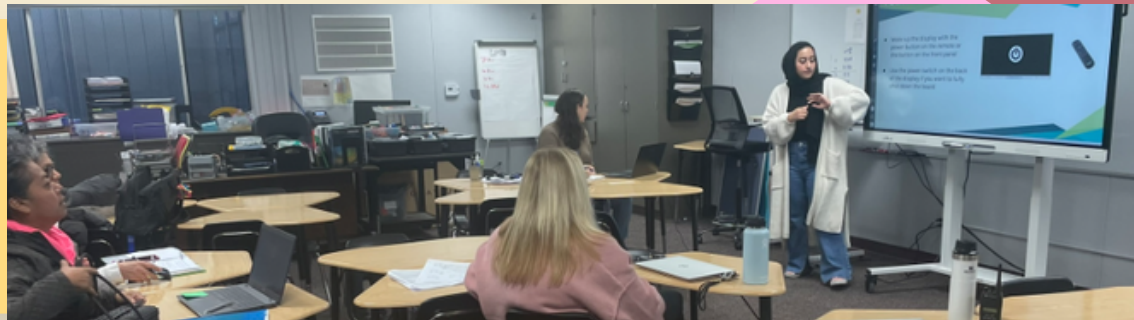

Esperanza student, Aaron, surprised us with these sunflowers he himself crotched.

Congratulations to our students who met their 35+ credit Fall Semester goal!

Smartboard training!

The Adult School Paraprofessional Course Launched this week!

This was a heartfelt moment. Leadership student and recent graduate, Evelyn, says a final goodbye to Mr. Diaz. She thanked him for all the support she received from him and the rest of the staff.

PANTHER LIBRARY

Big shout out to Antonio & Daniel who are shown in the picture above, helping me barcode classroom sets.

FUN FACT:

THE LIBRARY OF ASHURBANIPAL IN NINEVAH, ASSYRIA (NOW IN IRAQ), ESTABLISHED BY ASHURBANIPAL, KING OF ASSYRIA (668–C.630 BC), IS THOUGHT TO BE ONE OF THE OLDEST LIBRARIES IN THE WORLD. ARCHAEOLOGISTS RE-DISCOVERED THE SITE IN THE 1850S, UNCOVERING OVER 30,000 CUNEIFORM TABLETS ON HISTORY AND LAW WHICH APPEARED TO HAVE BEEN ARRANGED IN A SYSTEMATIC FASHION.

Evelyn's book recommendation of the week:

See you yesterday by Rachel Lynn Solomon

Leadership

At Lovell High School, we're dedicated to celebrating our students achievements. From personalized awards to spotlight features, we strive to create an environment that recognizes and supports every student's unique journey to success.

I extend my heartfelt gratitude to Evelyn for her exceptional dedication and hard work during her leadership tenure. Her unwavering commitment has not only inspired the team but has also significantly contributed to our collective success.

I want to give a shout-out to Brandon for his hard work in the classroom. His dedication to doing well in school is really impressive and sets a great example for everyone.
